

# BOND UNIVERSITY

With sandstone arches, lakeside settings and landscaped grounds, Bond University's Events Centre is the ideal venue for your next event.

Located in Robina on the Gold Coast, the Bond University Events Centre is easily accessible and offers free parking for all event attendees.

Bond University's function facilities are flexible and are designed to cater for events of all sizes. From large conventions, seminars and new product launches through to more intimate meetings, social functions and corporate programs. Indoor to outdoor events, formal or informal occasions, business or pleasure, our team can recommend and offer a large selection of spaces to best accommodate your event.

The fully licensed University Club Restaurant and Princeton Ballroom have magnificent views of Lake Orr. Both of these rooms are ideal for any corporate or social function with seating available for up to 320 people. The lakeside setting offers an ideal site for an outdoor function if desired.

In addition to our main function rooms, we have an array of high end lecture theatres, case study rooms and seminar style classrooms. Bond also offers a variety of picturesque outdoor options such as the ADCO Amphitheatre or our lakeside ornamental lawns which can accommodate marquee events.

Bond University continually invests in the latest audio visual technology to support conferences and events. Included in the room hire cost is the use of the in-house audio visual equipment which generally includes a screen, data projector, fixed lectern and microphone.

We offer full service on-site catering. 4 1/2 star apartment style accommodation is available next door to the University. Accommodation and transport can be arranged with affiliated hotels.

When you choose Bond for your next event, you will have a dedicated events team working behind the scenes to ensure your event runs smoothly and will meet all your expectations.
